

Post Cards for HOUSING

No stamp required! Send a message to the Prime Minister.

Download the files you need at www.endhomelessnessottawa.ca

A new campaign was launched at the Alliance to End Homelessness Community Forum on Homelessness on November 22, 2007, National Housing Day – **Post Cards for HOUSING**. We invite you to join in. Let Mr. Harper know with each post card that people across your community – and the country – want **action on housing and homelessness** now!

- 1. Print the message 4 per page on any heavyweight paper**, turn over the paper and print the address 4 per page, then cut out the cards. (This file is laid out on Avery #3263 post cards if you want to use perforated cards.)
 - No postage is required to mail to the House of Commons.
- 2. Get them into many hands** –
 - Give them to your clients
 - Put them on reception counters
 - Take them to any meeting
 - Leave them in libraries, coffee shops, grocery stores, laundromats, community centres – *get them out into your community!*
- 3. Reach out electronically** – send the 3 files – the message, the address and these instructions *to everyone you email* –
 - Send to your work colleagues & networks, your hockey team, your book club, Facebook friends, Blogs, Chat rooms – *use your imagination!*

*Envision an inclusive community that takes responsibility
for ensuring every resident has an appropriate home.*
THE ALLIANCE TO END HOMELESSNESS - OTTAWA

WINTER 2007

Dear Prime Minister:

I urge you to create a National Housing Program to directly and significantly increase affordable and supportive housing.

I believe that in my community, as in others across Canada, we need long-term and sustained federal homelessness funding to build our capacity to end homelessness.

Thank you for taking immediate action,
